Release and Liability Waiver Form

I acknowledge that by executing this Release and Liability Waiver Form (the "Agreement"), I am entering into a binding agreement with Genentech Inc., its officers, directors, agents, employees, shareholders, successors and assigns ("Genentech"). The agreement is being entered into in consideration of the benefit of participating in the Shared Mobility Transportation Program ("Program"), which will permit me to use micro mobility devices provided by Veoride, Inc., ("VEO") on and around Genentech's campus in South San Francisco, and I hereby acknowledge and agree to the following:

1. Voluntary Participation. I understand and confirm that my participation in the Program offered by Genentech is voluntary and outside of the scope of my employment. Further, I voluntarily and knowingly execute this Agreement with the express intention of eliminating liabilities and obligations of Genentech in connection with my participation in the Program.

2. Assumption of Risk. I understand that my participation in the Program is physical in nature, and that Harm could result. I expressly and specifically assume the risk of Harm due to participation in the Program, regardless of the cause. I am participating of my own free will and understand and agree that Genentech is not requiring me to participate in the Program.

3. Waiver and Release. I hereby release, waive, and forever discharge and hold harmless Genentech from any and all liability, obligations, claims, negligence, demands, and causes of action, known and unknown, of whatever kind or nature, either in law or equity, arising from injuries, mental or physical, illness, death or property damage ("Harm"), in the event that I sustain such Harm in the course of the micro mobility Program.

   I execute this Agreement as consideration for being permitted without charge to participate in the Program, and intend this Agreement to additionally bind my heirs, successors, assigns, legal representatives, and insurers. I expressly agree to indemnify and hold Genentech harmless against any and all claims, demands, damages, rights of action, or causes of action, of any person or entity, that may arise from injuries or damages sustained by me.

4. Certification of Health. I certify that I have no physical condition or injury that would make participation in the Program a danger to my mental or physical heath.

5. Safety. I understand and agree that my participation in the Program is governed by the Genentech South San Francisco safety protocols, and I therefore agree to operate all micro mobility devices in the Program in a safe manner with caution and care.

6. Compliance with VEO Rules. In participating in the Program, I understand that I must comply with all policies and practices implemented by VEO in connection with my use of its micro mobility devices.

7. Governing Law. I understand and agree that this Agreement is intended to be as broad and inclusive as permitted by law, and that this Agreement shall be governed by and interpreted in accordance with the laws of California. I agree that in the event that any clause or provision of the Release shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provisions shall not otherwise affect the remaining provisions of this Release.

By signing below, I acknowledge that I have read and understand this Release, and agree to its provisions.
